RVP (Returning Veterans Program) Policy and Agreement

The Returning Veterans Program is a volunteer group of practitioners that provide free health and wellness services to war zone veterans, service members and their families in Oregon and Southwest Washington.

As a member of the Gresham and greater Portland area business community, as well as a direct link of one of our owners to military service, *Balance Health & Injury Clinic, PC* (Balance) proudly participates in the Returning Veterans Project. We believe that contributing to the RVP program is part of our commitment to providing fully integrated, safe and effective, patient-focused healthcare; with an emphasis on education and prevention, and a belief that we *all* deserve a life of *Balance*.

To carry out this goal, Balance will:

- Accept two (2) RVP cases at any one time;
- Only services of acupuncture and chiropractic are included.

The following guidelines will be used in reviewing applicants for participation in our RVP program:

- RVP applicant must be current or former military with Other Than Honorable Discharge or above.

The following exclusions apply:
